### MEMBERS DISCLOSURE OF INTERESTS

#### 1. Pecuniary Interests

The Northern Ireland Local Government Code of Conduct for Councillors under Section 6 requires you to declare at the relevant meeting any pecuniary interest that you may have in any matter coming before any meeting of your Council.

Pecuniary (or financial) interests are those where the decision to be taken could financially benefit or financially disadvantage either you or a member of your close family. A member of your close family is defined as at least your spouse, live-in partner, parent, child, brother, sister and the spouses of any of these. Members may wish to be more prudent by extending that list to include grandparents, uncles, aunts, nephews, nieces or even close friends.

This information will be recorded in a Statutory Register. On such matters **you must not speak or vote**. Subject to the provisions of Sections 6.5 to 6.11 of the Code, if such a matter is to be discussed by your Council, **you must withdraw from the meeting whilst that matter is being discussed**.

#### 2. Private or Personal Non-Pecuniary Interests

In addition you must also declare any significant private or personal non-pecuniary interest in a matter arising at a Council meeting (please see also Sections 5.2 and 5.6 and 5.8 of the Code).

Significant private or personal non-pecuniary (membership) interests are those which do not financially benefit or financially disadvantage you or a member of your close family directly, but nonetheless, so significant that could be considered as being likely to influence your decision.

Subject to the provisions of Sections 6.5 to 6.11 of the Code, you must declare this interest as soon as it becomes apparent and **you must withdraw from any Council meeting (including committee or sub-committee meetings) when this matter is being discussed**.

In respect of each of these, please complete the form below as necessary.

Report from:	Head of Economic Development

Item for:	Decision
Subject:	NI Enterprise Support Service - Go-Succeed: Delivery Update to March 2025 & 2025/26 (2026/27) Funding Overview

1.0	<p><b><u>Background</u></b></p> <p>1. The Go Succeed service formally launched in November 2023. It is designed to support individuals and businesses throughout their start-up and growth journey. It aims to establish strong connections during the initial stages of business development, foster the creation of high-value enterprises, drive innovation and growth in existing businesses, and enable effective scaling for long-term success.</p> <p><b><u>Key Issues</u></b></p> <p>1. <u>Programme Delivery for 2024/25</u>: Delivery and outputs have been good across key areas for LCCC, particularly within the Engage, Growth, Scaling, and Grants strands. A detailed breakdown of performance against targets for the period November 2023 to December 2024 is also provided (<b>see Appendix</b>).</p> <p>2. The final outputs including January to March 2025 are still pending from BCC. Once received, a final overview report will be included on a future noting schedule.</p> <p>3. Overall, the new programme has performed well. As a newly designed initiative, some elements, particularly the ‘Growth’ stage, have shown strong results. There were some limitations in the ‘Foundation’ stage in terms of delivery, but these have been offset by the overperformance of the ‘Business Grants’ element.</p> <p>4. Further progress may still be made before year-end with final reporting still outstanding, but the insights gathered to date have been key to shaping the service moving forward.</p> <p>5. A highlight for the year has been the strong performance of the Grants strand. LCCC was originally allocated a grant budget of £301,000 for the 18-month Go Succeed service period, with an estimated delivery of 86 grants. Due to under-delivery in some other Councils and in the Foundation element, LCCC received two additional reallocations of grant funding. This enabled the team to significantly scale up delivery, resulting in 130 grants issued with a total UKSPF spend of £394,000. The average grant awarded was £3,207. This represents an over-delivery of 44 grants and an increase of 51% compared to the original target. Full details of grant targets and spend are provided (<b>see Appendix</b>).</p> <p>6. By way of example a local branding business in Lisburn city centre received a Go Succeed grant in the sum of approximately £3k to purchase a colour printing process machine to enable them to offer trade printing and branding. This small investment has created an additional revenue stream for the business and</p>
-----	--

therefore attracted more corporate customer base. In support of the programme the business has stated the following:

*"I applied for the grant about a week and a half ago and I got accepted for it within three days, that's been brilliant. The equipment arrived recently and it's just been unreal and that's going to let me employ someone within the next few months".*

7. Future UKSPF Funding: A one-year extension in funding has been secured by BCC on behalf of the 11 councils. The new allocation includes a reduction overall on the 2024/25 funding amount by the UK Government. Each Council's match funding requirement remains unchanged for 2025/26 to facilitate programme delivery.
8. A one-year extension of the NI-wide service has now been confirmed at £9,200,000 (including business grants) for the period from April 2025 to 31st March 2026. While this funding has been secured through the UK Shared Prosperity Fund (UKSPF), a Letter of Offer is still pending. As part of this, Lisburn & Castlereagh City Council will receive £477,662 for programme delivery, along with an additional £135,000 allocated for business grants, totalling £612,662 funding from UKSPF.
9. LCCC's overall predicted outputs and outcomes will remain broadly in line with current-year activity. It should be noted that we are working with in-year (period 9) data which does not reflect the outcomes for the full 2024/25 year. The estimated headline outputs for 2025/26 are as follows:

GO- SUCCEED	2025 – 2026	Outputs
<b>Engage</b>	No. of participants	270
	No. of business plans	173
	No. of new Jobs created	56
<b>Foundation</b>	No. of participants	66
	No. of business plans created	62
	No. of new Jobs created	40
<b>Growth</b>	No. of participant businesses	160
	No. of new jobs created	58

10. Extension of Collaboration Agreement to Align with New Funding Period: An existing Collaboration Agreement is in place between BCC and LCCC for delivery of the service and it is intended that this be extended to 31st March 2026 in line with the new funding arrangement.
11. In February 2025, the Regeneration & Growth Committee approved a funding request of up to £48,000 from Belfast City Council (BCC), acting as Lead Council for the Go Succeed service. This funding was an indicative allocation intended to support staff resources within the BCC Programme Management Office (PMO) for the first three months of the 2025/26 financial year. The request was made considering the potential closure of the Go Succeed service, as its initial funding was set to conclude on 31st March 2025, with no confirmed additional funding at that time.
12. Only £42,102 of the previously allocated £48,000 funding is now required. It is proposed that this £42K be redirected to support staff resourcing within the BCC

	<p>PMO during the initial months of the 2026/27 financial year, while efforts to secure additional funding continue.</p> <p>13. It should be noted that BCC as lead council are in discussion with the Department for the Economy regarding the potential revision of Councils' statutory jobs targets. This work is ongoing and will be the subject of a future report to the committee.</p>	
2.0	<p><b><u>Recommendation</u></b></p> <p>It is recommended that the committee considers and</p> <ol style="list-style-type: none"> <li>1. Agrees the commitment of £119,153 of current budgets as match funding for 2025/26 to support programme delivery.</li> <li>2. Approves the signing of a one-year extension to the Go Succeed collaboration agreement between BCC and LCCC for 2025/26, subject to no significant changes in the terms and conditions.</li> <li>3. Agrees the allocation of £42,102 for PMO staff resources for the 2026/27 financial year, pending the confirmation of additional UKSPF or alternative funding beyond 2025/26.</li> <li>4. Notes the overperformance in business grants awarded (over-delivery of 44 grants, an increase of 51%).</li> </ol>	
3.0	<p><b><u>Finance and Resource Implications</u></b></p> <p>The 2025/26 Economic Development budget estimate process has included provision for £119,153 to support an enterprise support service.</p> <p>The commitment of £42,102 will be part of the budget allocation for 2026/27.</p>	
4.0	<p><b><u>Equality/Good Relations and Rural Needs Impact Assessments</u></b></p>	
4.1	Has an equality and good relations screening been carried out?	YES
4.2	<p>Summary of the key issues identified and proposed mitigating actions <b><u>or</u></b> rationale why the screening was not carried out.</p> <p>Section 75 Equality and Good Relations Screening was carried out by Belfast City Council on behalf of all eleven Councils. There are no major levels of impact, and no negative impacts have been identified during the screening process. Any issues re ensuring accessibility and equal participation in business support programmes ca proposed for the programmes.</p>	
4.3	Has a Rural Needs Impact Assessment (RNIA) been completed?	YES
4.4	<p>Summary of the key issues identified and proposed mitigating actions <b><u>or</u></b> rationale why the screening was not carried out.</p> <p>No key issues identified - the Go Succeed Programme will not impact differently on businesses in rural areas. Businesses which are eligible may apply for support and benefit regardless of urban or rural location.</p> <p>RNIA for Go Succeed also completed by Belfast City Council (Lead Council)</p>

<b>Item for:</b>	Decision
<b>Subject:</b>	NI Housing Executive (NIHE) Social Investment Strategy 2025-2030 - Consultation

## 1.0 **Background**

1. The NIHE has released its draft Social Investment Strategy 2025-2030 entitled 'People, Place and Prosperity' for public consultation.
2. The consultation documents can be accessed from the link below  
  
[The Housing Executive - Consultations](#)
3. The consultation will run for 12 weeks from 21 February 2025 up to 16 May 2025.

### **Key Issues**

1. Because of the clear focus on social enterprise, the consultation response will be led by Economic Development but will also include important input from the Communities Unit because of the strategic priorities of community wealth building and social value.
2. The draft strategy will focus on a number of key themes:
  - Plural ownership
  - Locally rooted finance
  - Fair employment
  - Socially productive use of land and property
  - Progressive commissions
  - Sourcing and procurement for goods and services
3. In the draft strategy the NIHE plan to raise awareness and capacity in communities to avail of opportunities available as a result of wider Government spend and also that of the NIHE's annual spend and the social benefits which accompany that.
4. The NIHE want to continue to invest in social enterprises where they require assistance for increased / new employability, training, reskilling and volunteering opportunities. The NIHE also want to maximise other learning and skills development opportunities by engaging with academic and accrediting bodies and inter-agency partnerships, gathering knowledge, information, and contacts for the benefit of individuals and our communities.
5. It is proposed that Members consider the draft strategy and in particular the questions highlighted in the consultation response document (link attached above) and provide any comment by Wednesday 7 May 2025 to either the Head

	of Economic Development or the Head of Communities for inclusion in the Council's response. The response will be submitted by the closing date and subsequently reported for retrospective approval to the Regeneration & Growth Committee in June.
